Springfield Mo.—"My back was so weak I could hardly stand up, and I would have bearing-down pains and was not well at any time," says Mrs. D. V. Williams, wife of a well-known farmer on Route 6, this place. "I kept getting headaches and having to go to bed," continues Mrs. Williams describing the troubles from which she obtained relief through the use of Cardui. "My husband, having heard of Cardui, proposed getting it for me. I saw after taking some Cardui that I was improving. The result was surprising. I felt like a different person."

"Later I suffered from weakness and weak back, and felt all run-down. I did not rest well at night, I was so nervous and cross. My husband said he would get me some Cardui, which he did. It strengthened me. . . . My doctor said I got along fine. I was in good healthy condition. I cannot say too much for it."

Thousands of women have suffered as Mrs. Williams describes, until they found relief from the use of Cardui. Since it has helped so many, you should not hesitate to try Cardui if troubled with womanly ailments.

**IN THE SPRING
YOUR BLOOD
NEEDS A TONIC**

Winter Weakens Blood, Makes
Faces Pale. Take Gude's
Pepto-Mangan

THE BEST KNOWN BLOOD TONIC

Drowsy Spring-Fever Feeling That
Comes from Sluggish Blood
Will Soon Leave You

As all growing things on earth shoot into new life in Springtime, so do the billions of cells that make up each part of the body renew their vigor.

As you open the windows, breathe the Spring air, and let in the sunshine, the red corpuscles of your blood should carry more oxygen to the tiny cells.

The red corpuscles are tiny disc-shaped particles, swimming in enormous numbers in the blood. They carry oxygen to cells in all parts of the body, and they carry away worn-out waste matter. Sometimes, especially in the Spring, after the winter indoors and more or less sickness, the red corpuscles themselves need rebuilding. Gude's Pepto-Mangan contains just the ingredients to give them greater power to absorb oxygen and to distribute it throughout the body.

This is why it is such a good Spring tonic. It helps so much to bring back color to cheeks made pale and wan by the necessary indoor winter life. It adds to the number of red corpuscles. With fine Spring days and Gude's Pepto-Mangan you gain in vigor and attain good health.

Don't go around drowsy this Spring. Take that good tonic, Gude's Pepto-Mangan. You can get it in tablet form or in liquid form at your druggist's. Both forms have the same medicinal value. Insist upon genuine Gude's Pepto-Mangan. Advertisement.
